2025-06-30 Field Day 2025 photos

Date: June 30, 2025

On June 29, 2025, Robert Shank, KM6RSS, sent Dave Schmidt and Burt Auerbach a direct link to the K6MEP Field Day photo album he had already shared with them, https://photos.app.goo.gl/KZtYTHLVmhCEh8iQ8, and asked them to decide which pictures were appropriate to share with the rest of the club. He thanked them for organizing Field Day 2025.

The next evening, Dave announced to the membership that VCARC/K6MEP Field Day 2025 photos were up on the club website at https://k6mep.org/2025/06/30/field-day-2025-photos/. He thanked Robert for taking the photos and said more would be added as others came in.
