2025-12-03 DecemberFest 2025 thank-you certificates

Date: December 3, 2025

Dave Schmidt, AI6VX, sent the board a list of people he thought should receive a thank-you or congratulatory certificate at the DecemberFest dinner, and thanked Robert Shank, KM6RSS, for generating the certificates. The December 3 list was: Robert KM6RSS (VP, secretary, VE, donations, website, snacks, transportation of older club members, photographer); Jacques KN6VQ (Director, VP, Field Day and contesting coordination, CQ club); John W6JPG (Treasurer, VE); Geoff N3CFX (Director, church cleanup helper, transportation); Jeremy KN6JMD (audio/visual, network access, Field Day IT, incoming equipment cleanup and sales); Burt KA6BJA (director, ACS/ARES, marathon coordinator); Tim, youth committee lead, popcorn, and soaps (Dave's list gave the call KN6JMD, which is also Jeremy Climer's call); Linda (snacks, refreshments, Field Day food, DecemberFest decorations and goodie bags); Denney N6HV (incoming equipment, estate cleanup, equipment table, trivia host); and Larry K6LWG (Secretary, VE).

Robert prepared the certificates. On December 8 he asked whether to add Mark Vodon as club meeting safety officer; Dave left the wording to Robert. That evening Dave replied to Robert's draft, "Perfect!"
