2025-12-06 President’s December 2025 report

Date: December 6, 2025

Dave Schmidt, AI6VX, sent his December 2025 President’s report to the board ahead of the Sunday board meeting.

He reported that the Grace Lutheran Church (GLC) contract had been signed and turned in, now aligned with the club’s insurance renewal period, and that the club was “good until November 1 2026.” He would reserve all second Fridays of the month in 2026 with GLC for club meetings, except December. The 10-meter net was ending, with the last session on December 28, 2025. He had sent his last “Pres Says” for 2025 and asked for help. He said he would continue as committee lead for VE sessions and would organize Portable Operations and Help events on the same Saturday as the VE sessions (every other month); he would also continue to support the web page and email forwarding and could help with GLC room setup.

Under membership, he wrote that “62 people paid through 2026 and beyond,” and that Myron Jensen had become a member after the last Portable Operations and Help session and had been participating in the Monday Night Net and the post-net Zoom.

The DecemberFest portion of the same report is recorded in the DecemberFest headcount and dinner history notes. Among other items, Dave listed raffle prizes ordered for the dinner (one 12V 100AH battery, delivered; two Radioddity DB20-G 20W dual-band mobile radios, delivered; two Yaesu FT-4XR HTs, expected the following Monday), confirmed that decorating could start at 4:30 PM, and said he would pick up desserts from Costco (two pies, one cake, and cookies).
