2025-12-13 DecemberFest 2025 photo album

Date: December 13, 2025

The day after DecemberFest, Robert Shank, KM6RSS, wrote Denney Pistole that he had shared his DecemberFest photo album with him. He thanked Denney for “preparation and delivery of the Ham Radio Trivia and all the Christmas ornaments (and presents) that you contributed to the club,” and asked Denney to send any photos he had taken so they could be added to the album and included on the K6MEP.org website. Two copies of the same message, sent at 4:53 PM PT, are in km6rss. The album URL is not stated in those messages.
