2026-11-15 DecemberFest 2026 confirmation from Luis Alfaro

Date: November 15, 2026

Luis Alfaro, manager at Black Bear Diner Ventura, emailed Robert Shank, KM6RSS, at 3:07 PM PT on November 15, 2026, in reply to Robert's "Correction: DecemberFest Confirmation - December 11, 2026" thread. Luis wrote that he thanked Robert for the update and would see the club on Friday, December 11, 2026.

That reply did not restate a per-person price, portion sizes, a final-count date, a deposit, a minimum, or a cancellation policy. A search of km6rss for mail from Luis, Gladys Verduzco, or the store address dated November 10–11, 2026, found no messages.
