2026-11-19 K6MEP club station trustee change

Date: November 19, 2026

Robert Shank, KM6RSS, wrote the board that Dave Schmidt, AI6VX, was stepping back from several club responsibilities after 2026, including serving as trustee of the K6MEP club station license, and that Robert had agreed to take over as trustee. He said he and Clement Alberts had filled out and signed the ARRL Change of Trustee form (605-C) naming Robert Shank, KM6RSS, as the new trustee.

Before sending the form, he asked the board either to take a formal vote at the December 6 board meeting, with the minutes accompanying the form, or to reply by email confirming approval so the form could be sent then.

That afternoon, at 5:35 PM PT, Robert sent “Form 605-C K6MEP Trustee.pdf” to the ARRL VEC, subject “Form 605-C Change of Club Station Trustee,” requesting a change in the K6MEP station license trustee from David Schmidt, AI6VX, to Robert Shank, KM6RSS. An automatic reply from the ARRL VEC helpdesk arrived at 5:36 PM PT.
